

# THE FONTAINE

A KANSAS CITY HOTEL

## Accentuating the Setting

The Fontaine is an upscale 132-room hotel in Kansas City's landmark Country Club Plaza district. Chic and modern, The Fontaine blends timeless elements of classic design with Mediterranean influences. The aesthetic is an ideal fit for Country Club Plaza, which was developed in 1922 and inspired by the architecture and ambiance of Seville, Spain. Considered to be the country's first automobile-oriented shopping center, it currently serves as a mixed use collection of high end retail, restaurants, residential and offices.

## Indulging the Senses

- 132 contemporary guestrooms including 9 Suites and one Presidential Suite
- Goose-down pillows and non-allergenic foam pillows
- Luxurious Egyptian cotton bed and bath linens and plus terry robes
- Complimentary wireless High-Speed Internet access
- In-room safes
- Full size iron and ironing boards

## Delivering the Experience

- Rooftop restaurant & bar, Parker at The Fontaine, featuring progressive American cuisine, incredible views, two private dining rooms and live music
- Gourmet breakfast available daily in Parker
- Rooftop swimming pool and fire pits
- Fitness Center
- State-of-the-art technology available in meeting spaces

## Creating the Unexpected

The Fontaine has 17,000 square feet of interior meeting space, perfect for board meetings, large corporate meetings and weddings. Property highlights include high tech amenities, a 1,000 square foot pool terrace, 17,000 square feet of flexible meeting and pre-function space plus a sophisticated rooftop restaurant and bar.

The Fontaine is ideally situated in Country Club Plaza, a popular and highly-recognized district. The plaza is filled with more than 150 shops and restaurants, making it Kansas City's premier retail, dining and entertainment destination. Pleasant surprises can be found along each block – from tiny shoe boutiques to delicious chocolatiers, couture clothiers, stylish salons and fine jewelry.
